A Prayer for this Week

Father, you have allowed me to have a smartphone. It is a powerful tool that can be used to honor You in my life. Show me how to do it. Teach me how to use my smartphone to put a smile on Your face. Protect me from the temptations it can bring into my thoughts and behaviors. Lord, if my phone has become an idol in my life, please convict me. I will turn away from it and make you my only God...the One who tells me how to think, live, and serve others for Your glory. I pray this in Jesus' name. Amen.
