3. God is _____ to us.

A Prayer for this Week

God, You are right here. You are with me. I come to You through Jesus Christ. I accept that Jesus was born to save me from my sins. I give You permission to mess with my life. I want to join You in Your plan to save the people around me from their sins. I will not shrink back. I will do what You ask.
I pray it in Jesus' name. Amen.
