A Prayer for this Week

Father, I want to have a Godly happiness that others can see. I want to possess an inner satisfaction and sufficiency that is not dependent on my circumstances. Please create this virtue in me. Forgive me for thinking too highly of myself, for being soft on my personal sin, for withholding grace from others, and for complaining when I suffer for Your name's sake. Let me be the salt and light You created me to be. I pray this in Jesus' name. Amen.
