2. _____ — know God cares for us.
3. _____ — let God and his plan be our greatest ambition.

A Prayer for this Week

Father, forgive me for letting earthly treasures own me. Show me when this happens in my life so I can confess it and get things in order. Remind me that when I worry about not having enough money, I am proving to myself that You are not first in my life.

Let it prompt me to confess sin and recommit myself to completely trusting You. I pray this in Jesus name. Amen.
