#### A PRAYER FOR THE WEEK

Father, thank You for being devoted to me. Give me a heart that is devoted to You. I am certain I do not fully understand what it means to be a living sacrifice for You, but I am willing to learn. Please teach me through Your Spirit and the Word how to flesh out my devotion to You. I know there are traits in my character, pulls in my obligations and expectations, and desires in my personal agenda that do not want to die. Reveal them to me. Empower me to trust You more so I can place them on the altar and be restored to You. I ask it in Jesus' name. Amen.
