A Prayer for this Week

Father, I am prone to spiritual failure. I sin frequently. Don't let my failures keep me from moving forward. Light a fire under me. Break my stubborn heart and create in me a willingness to practice humility, accept the authority of Your word, and commit myself to following Your instructions. I know I will still fail, but I pray I will fail less. Make me brave as I yield my life to You.

I pray this in Jesus' name. Amen.
