A Prayer for this Week

Father, help me understand the battles in my life. Let me see them as circumstances You are using to increase my faith, produce a Christlike attitude in me, and give me opportunity to flesh out Godly behavior in my circle of influence. Give me a hunger for Your Word so I can know Your promises to me. Teach me to pray those promises for Your will to be accomplished in the purpose of my life. Honor where I am willing to follow You and make me willing where I am not. I ask this in the name of Jesus. Amen.
