### A PRAYER FOR THIS WEEK

Lord, thank You for being faithful to me. Even when I am faithless, You remain faithful; and for this I praise You. But Your faithfulness to me is not permission for me to be unfaithful. Teach me to cooperate with the Holy Spirit's efforts to make me a faithful person. Lord, I want to be faithful to You so give me an undivided heart. I want to be faithful in my marriage so give me a healthy fear of sinning against it. I want to be faithful to my church family so empower me to do the "One Another" commands. I ask this in Jesus' name. Amen.
