A PRAYER FOR THIS WEEK

Lord Jesus, I believe in You. Help me overcome my unbelief. When I'm frustrated because I want to do good and can't, remind me to turn to You in prayer and trust You. When I need faith in the chaotic moments of life, teach me to zero in on my unbelief and confess it to You. When I place my faith in You and circumstances get more difficult, let my faith in You increase. Lord Jesus, I trust You will answer this prayer for me. Amen.
