

**LIFE GROUP  
WINTER  
WEEK 1-  
Restore\_ When we  
don't Worship**

**Big Idea:** *Humans were created to worship. We will worship something. What happens when we don't worship God?*

**1.** *If a child asked you, "What is worship?" How would you respond?*

**Read Romans 1:18-32**

- 2.** *Looking at Romans 1:18-32 we can identify 4 things that happen to us when we "suppress the truth". 1) We choke the truth 2) we become fools, 3) we become grossly immoral, 4) and become trapped in our evil. Which of these is most prevalent in your part of the world where you rub shoulders with people? What challenges or problems is this creating for you.*
- 3.** *Our society is quick to point out what is wrong in the world and assumes humanity can fix itself. What are some of things people look to as solutions for their wickedness, evil, greed, and depravity? Why do such "solutions" ultimately fail?*
- 4.** *Since the creation of the world God's invisible qualities- His eternal power and Devine nature- have been clearly seen. So, people are without excuse. If people plainly know the truth about God, why do you think we suppress the truth? Why do we try to choke it out of our life and society?*
- 5.** *In Romans 1:24-32 we are told three times "God gave them over" when people refused to worship Him. What do you think it means when it says "God gave them over"? How does it make you feel that God gives us over when we refuse to worship Him?*

**Prayer Time:**

*Ask the Lord to reveal to us truths that we are trying to choke out in our life. Ask Him to empower us to worship Him in Spirit and in truth.*
