A PRAYER FOR THIS WEEK

Father, my life has problems. Some of my problems are the result of my own sinfulness, some of my problems are the result of other's sins; but either way, I have problems. I declare right now: I trust that my problems are being used by You to develop Christ's character in me. Give me a promise to trust and remind me of what Christ endured for me so that I will not grow weary and give up. I give you thanks because I trust there is a purpose behind every problem I have. I pray this in Jesus' name. Amen.
