## A PRAYER FOR THIS WEEK

Father, I will be teachable. I humble myself before You. Show me where Your Kingdom is actively accomplishing Your purposes in the different areas of my life (specifically name an area like work, family, school, social media, politics). I will put Your Kingdom first and learn what I need to do to cooperate with You. I repent of my sins (name specific sins). Don't let my sins be my downfall. Send me times of relief and relaxation from the worries of my life. Let me have a personal encounter with Your Spirit. I ask this in Jesus' name. Amen.
