### A PRAYER FOR THIS WEEK

Lord, I trust You. I want to trust You even more. Forgive me for my imperfect trust. I struggle with trusting You because my logic, past experiences, and the advice of others contradicts the faith You are calling me to live by. Forgive me for those times. Lord, I declare now that I trust You with \_\_\_\_\_. Show me the straight path in this. Fill me with Your Spirit so that when the path gets long or hard or difficult; I will receive Your training and continue to trust in You. I pray this in Jesus' name. Amen.
