A Prayer for this Week

Father, don't let me be deceived. Reveal to me the condition of my heart. Do You reside in me or does some form of darkness call my heart home? I humble myself before You. Please speak to me. Protect me from the arrogance of thinking I spiritually understand Your truth when I don't. I give You permission to change my character where change is needed. I place my hope in Christ. I trust You will save me from myself. I pray this in Jesus' name. Amen.
