### A Prayer For This Week

Father, every day of my life You give me grace. Forgive me for not seeing it. Forgive me for thinking I am entitled to Your blessings because I have moments of obedience to You. Forgive me thinking I am more spiritually mature than I really am. Forgive me for comparing my spiritual maturity against what I see in others. Lord, teach me to pay attention to my own walk with You. Teach me how to recognize and receive Your grace so that I will not become arrogant or bitter. I ask this in Jesus' name. Amen.
