4. \_\_\_\_\_ the case.

### A Prayer For This Week

Father, forgive me for my sins [be specific]. Lord, let me feel the impact of Your grace deep in my heart. I need this not only for my relationship with You, but I need it so I can give forgiveness to [name]. I understand Your good plan for me can't come to completion until I share with others the extraordinary forgiveness You have given to me. I ask for this because I want to do this.

I want to forgive [name]. I pray this in Jesus' name. Amen.
