#### **A Prayer for An Unordinary Life**

Father, I want to be unordinary. I want to have a reputation of love for others and faith in Christ. I want to experience the joy of Koinōnia (partnering with other believers agreeing to mutually share life). I want to be effective in displaying Your power in my human issues. I want my understanding of how You work in my life to deepen. I want to be a source of calm in situations where chaos is in control. I want to be unordinary because You have created me and called me to be unordinary. Lord, You have me. I give myself to You. Make me unordinary for Your name to be worshipped and my world to be sane.

I pray this in Jesus' name. Amen.
