

## For The Sake of Love

*Philemon 8-11*

### THE MOTIVATION TO BE UNORDINARY

1. Moral authority and knowledge are not \_\_\_\_\_ to be unordinary.
2. Unordinary people are motivated by agape \_\_\_\_\_.

### UNORDINARY PEOPLE...

1. Are aware of their \_\_\_\_\_.
2. Care about winning \_\_\_\_\_ not winning the debate.
3. Are \_\_\_\_\_ not stubborn.

### A Prayer for This Week

Lord Jesus, what is motivating me? Please show me and remove from me anything that gets in the way of the love You have placed in me and called me to practice. I confess my tone toward those who see the world differently that I do is damaging to Your causes. I confess I would rather win the debate to feed my pride than win the person for Your name's sake. I confess I am stubborn with people when I should be sensible. Forgive me for these attitudes and actions. Transform me into an unordinary person who reflects the attitudes and behaviors of Jesus. Amen.
