A Prayer for this Week

Father let my love for Christ be hot. Let my hatred for people who practice evil to be tempered by that love. Don't let me be a good, unloving person. I confess my self-righteous attitude. I will change my attitude where I can and give you permission to change it where I can't. Help me to remember how I used to love you. Let me be humble and hungry for You again. Let my faith in You be my guide so I will one day taste the fruit from the Tree of Life. Thank you, Lord, for hearing and answering my prayer. Amen.
