A Prayer for this Week

Lord, forgive me for thinking I can indulge in sin and excuse it because you offer forgiveness. Don't let this corrupted, twisted form of religion reside in me. Extract it from me and create in me a clean heart. Renew a right spirit within me that will give me the motivation, energy, and perseverance to be and do the right things. I am willing to live for You. Make me willing where my heart struggles. I pray this in the name of Jesus. Amen.
