A PRAYER FOR THIS WEEK

Father, teach me to be a winner of souls...a fisherman of people...an advertisement for Christ. Remind me that I am Your beloved child who should never be completely comfortable in this world. Teach me to hate my personal sins and pursue living a beautiful life that attracts others to Jesus. Show me how to respect authority without breaking Your commands and how to use a good life to silence ignorant people. I cannot do these things without You. Empower me by Your Spirit and let me win others for Christ. I pray this in Jesus' name. Amen.
